The University of Georgia - MEd. in Agricultural Education
The University of Georgia - EDD. in Vocational Education

Dennis has been with the Georgia Department of Education since May 2007. Before coming to the CTAE division, he taught Agriculture in Oconee County, was an instructor in the Department of Agriculture Education at UGA, was a Vocational Supervisor, Facilities & Maintenance Director, and Associate Principal in Oconee County, and served as high school principal in both Lincoln County and Barrow County (Apalachee High School). He has been very active on the state, regional and national level in GASSP and NASSP. As a Program Specialist in the Accountability unit, Dennis is assigned to the Construction-Related Equipment Grants program. Dennis plans to focus on being a resource for school systems that need information and assistance as they work to equip new construction or renovated CTAE facilities.
