

**Georgia Performance Standards Framework
Mathematics – Kindergarten**

Georgia Performance Standards: Curriculum Map						
1st 12 weeks		2nd 12 weeks			3rd 12 weeks	
Unit 1	Unit 2	Unit 3	Unit 4	Unit 5	Unit 6	Unit 7
4-6 weeks	4-6 weeks	4 weeks	4 weeks	4 weeks	6 weeks	6 weeks
What are Numbers?	Shapes, Shapes and More Shapes	How Can I Show Numbers?	Sorting, Comparing, and Ordering	What Happens When?	Joining and Separating	Show What We Know and Preview
All units will include skills to maintain and the Process Standards.						
Routine topics such as counting, time, money, positional words, patterns and tallying should be addressed on an ongoing basis.						

NOTE: Mathematical standards are interwoven and should be addressed throughout the year in as many different units and activities as possible in order to stress the natural connections that exist among mathematical topics.
