

Linda T. Smith

University of Missouri-

Masters degree, Practical Arts and Career & Technical Education

University of North Carolina-

Certification, Marketing Education & Journalism

Averett College-

Bachelor of Arts, English

Currently, Linda serves as the Program Specialist for Marketing Education at the Georgia Department of Education. When she relocated to Georgia in 1991, she served as Director for the Arts & Sciences Advising Office at the University of Georgia for six years. Prior to relocating to Georgia, Linda served as a Marketing Education Supervisor at the Department of Elementary & Secondary Education in Missouri.

Linda is very proud to serve the exemplary Marketing Education teachers in Georgia. Her goal is to continuously provide state-of-the-art curriculum and instructional materials, as well as professional development, career-related education and CTSO opportunities which are aligned to the curriculum standards.
