

Glenn “Sonny” Cannon

University of Georgia – MEd

Georgia State University – BBA Accounting

Clayton Junior College – AA

Sonny joined the Department of Education in July 2001 as Program Specialist for Trade and Industrial Education. Prior to joining DOE, Sonny taught construction at Newnan High School, his Alma Mater for 11 years. Sonny has experience as a general contractor, a housing code inspector for the City of Newnan, and a private home inspector. He plans to continue developing business and industry partners and foundations to support SkillsUSA Georgia and his program area pathways. As a licensed instrument rated single and multi-engine pilot, he is very excited about the new Flight Operations Pathway. Sonny enjoys spending time with his four grandsons, flying Angel Flight missions, and he is looking forward to retiring in 2011 on his sailboat “Aeolus”.
