Dear GNET Parents:

If you are the parent of a student served by a GNETS school during the 2006-2007 school year and cannot calculate your child's Georgia Special Needs scholarship amount successfully, please allow us to help you by e-mailing the following information to jgagne@doe.k12.ga.us:

- 1) Student's first name, middle initial and last name;
- 2) Student's date of birth;
- 3) School System and school name the student attended in the 2006-2007 school year; and
- 4) A phone number where a parent can be reached if more information is needed.

In most cases, you have not been able to input the school name to which the student was reported to as opposed to the school the student actually attended. GaDOE staff can look up and provide the proper school information for you, so you can successfully generate your child's scholarship estimate for the 2007-2008 school year.

Respectfully,

Jeff Gagne, Ph.D.
